All Children's meals include fruit shoot / small soft drink and ice-cream cone			

I will order my food at the bar. When the member of staff asks me, I will tell them what I would like to eat.

My adult will pay for my meal at the bar when we order our food.

If I need to use the toilet, there is one in The Bear on the Square. There is a 'toilet' sign in the corner of the dining area.

I will go through the door and down a small corridor and the toilets are in front of me. The staff/my family can show me where it is if I am unsure.

When it is our turn to be seated, we will follow the member of staff to our table.

I will sit down in my seat.

While I wait for my food I can play with my chosen item or do my activity.

When the member of staff brings my food I will eat it. I will only touch my own food, unless someone offers me some of theirs.

When I have finished eating, I may have to wait for my family to finish eating. I can play with my chosen item or do my activity while I wait.

After we have finished eating, the member of staff will take our plates away from the table.

If we are getting a dessert, I will look at the Dessert Menu and decide what I would like to eat.

I will order my dessert at the bar. When the member of staff asks me, I will tell them what I would like for dessert.

My adult will pay for my dessert at the counter when we order it. While I wait for my dessert I can play with my chosen item or do my activity.
