

I am going to Haverigg Beach

With An Adult

Before we go:

We will find the things that we may need to take to the Beach. We may need swimwear, sunscreen, hat, towel, sunglasses, swim shoes, a bucket and spade.

On the day.

I am going to Haverigg Beach with my family.
We may have to drive there.

If it's sunny I will wear sunscreen. I may also need to wear a hat, sunglasses and beach shoes.

There may be dogs on the beach.

I can go in the water with an adult.

I can take a bucket and spade and build a sandcastle.

I can play on the park.

I can go to the cafe.
